

## **NOTICE N° 09/2022 OF THE INDEX MANAGER**

The IBEX® Indices Management Secretariat communicates that, according to paragraph 3.1.3. of the Technical Regulations for the IBEX indices, the Index Manager will introduce an adjustment to the **IBEX GROWTH MARKET® ALL SHARE** Index, which shall be effective as from 7<sup>th</sup> June 2022.

The adjustment is referred to a pair value with share premium capital increase in **PANGAEA ONCOLOGY (PANG)** in the proportion of three new shares per thirteen old shares (1,032,258 shares) with a price of 1.55€ per share, having this stock 5,581,825 shares in the Index.

This information is hereby placed in the public domain for the appropriate purposes.
