

NOTICE N° 10/2022 OF THE INDEX MANAGER

The IBEX® Indices Management Secretariat communicates that, according to paragraph 3.1.3. of the Technical Regulations for the IBEX indices, the Index Manager will introduce an adjustment to the **IBEX GROWTH MARKET® ALL SHARE** Index, which shall be effective as from 8th June 2022.

The adjustment is referred to a pair value with share premium capital increase in **SOLUCIONES CUATROOCHENTA (480S)** in the proportion of six new shares per twenty-three old shares (168,073 shares) with a price of 14.20€ per share, having this stock 840,366 shares in the Index.

This information is hereby placed in the public domain for the appropriate purposes.
