INVESTOR PRESENTATION

22-23 NOVEMBER 2022

LATIBEX

INVESTMENT THESIS

Lleida.net (OTCQX:LLEIF) (EPA:ALLN) (BME:LLN) is the top European player in the **eSignature, eNotification, eContracting SaaS industry**.

Founded in 1995, the company's future lies in the strength of its Intellectual Property portfolio; its proprietary technology has been awarded over 216 patents in 64 countries, in all five continents.

Despite current market conditions, Lleida.net is holding stronger than its main competition in the United States and the Eurozone.

The company's tech pipeline, and the recent announcement of major international contracts, are the keystones in the foundation of its future business success.

A 28 YEARS OLD TRUST SERVICE PROVIDER

The main business offer of Lleida.net is an e-signature software that enables companies to create, sign, manage, and act upon contracts electronically. It works for more than 2,000 clients, internationally.

- 
- Largest contract in the company's history just signed with the Postal Services in Colombia.
 - 2021 registered the best year in both sales and revenue of our history.
 - Three years consistently distributing dividends.
 - 216 patents granted in 64 countries, including the United States, China and Europe.
 - Last year, 100% of InDenova S.L was acquired, in pursue of our inorganic growth strategy.

RECENT HIGHLIGHTS

FINANCIALS (,000€)

A 2020-2025 STRATEGY FOCUSED ON INVESTORS.

- Development of new eSignature proprietary IP and technology to improve our market position at an international levels. Intellectual Property is the cornerstone of future stock market success.
- Inorganic acquisition companies across the world in order to grow and strengthen our global capacity. Recent purchase of Indenova boosted our innovation capacity.
- Reinvesting on our global sales capacity to continue closing global contracts.
- Working on our ESG strategy to fulfil our Company promise.

IP AS A PILLAR

Two recent study by Collier IP values the **just one family** of the company's SaaS IP at as much as **€14.1 million**, a conservative valuation of a single family of the company's key intangible assets. This value is based upon the revenues generated from the IP for SaaS business.

Our chain of patents that guarantees the future of the company - and the protection that gives us patents in 64 countries and counting.
