Seizing the moment: Creative and well-timed dealmaking for a transformative FY25

Pricing not reflective of improving market conditions and strong operational performance

- Market pricing had not yet factored in favorable interest rate environment and improving retail real estate metrics.

Improving Access to Senior Finance in the face of lower interest rates

- Banks willing to lend at better margins and terms to the right sponsors and asset managers.

Willing Sellers and reliable Buyer

- Forced sellers facing redemptions, senior debt refinancings and corporate restructurings.
- Despite yield expansion, improvement in NOI has allowed Sellers to exit at decent pricing levels versus their historic entry prices.
- All deals were sourced on an off-market basis, leveraging off Castellana's reputation and track record.

OPERATIONAL HIGHLIGHTS

2.1 Footfall & Sales

2.2 Portfolio value evolution

2.1 FOOTFALL AND SALES

OUTSTANDING PERFORMANCE ACROSS THE ENTIRE PORTFOLIO, ACHIEVING NEARLY 90 MILLION VISITS IN 2024

FOOTFALL

- All assets continue to thrive, with Vallsur standing out distinctly. Having successfully completed Phase I and with Phase II in progress, we are witnessing impressive footfall growth, with an increase of 8.6% during FY25. This positive trend underscores the vitality and potential of our investments.
- Last year, our shopping centers in Iberia received nearly 90 million visits. During this fiscal year, we set a new record in Spain, exceeding 54 million visits. Bahía Sur leads the way with 8.35 million visits, closely followed by El Faro with 8.3 million visits.

- All key categories in Castellana's portfolio contributed positively during the period, Homeware +6.1%, Health & Beauty +5.1%, Food & Beverage +4.8%, Leisure & Entertainment +3.5% and Fashion 2.9%. This consistent growth across categories and assets reinforces the strength and resilience of our portfolio operations

i. Although Bonaire was acquired in March, it was excluded from all datasets due to the flooding that occurred at the end of October. The center reopened in February and has been gradually recovering since then.

ii. Footfall data includes the following shopping centers: El Faro, Bahía Sur, Los Arcos, Vallsur, Habaneras, Puerta Europa, Granaita, 8ª Avenida, Rio Sul, LoureShopping and 100% of Alegro Sintra. There are no counters in the rest of the retail park assets. Granaita counts only cars, so we have estimated 2 people on average per car. Sales data includes all retail assets.

2.2 PORTFOLIO VALUE EVOLUTION

ACTIVE ASSET MANAGEMENT ENSURED CONSISTENT GROWTH IN PORTFOLIO VALUE, DESPITE NEGATIVE YIELD PRESSURES IN CAP RATES OF RECENT YEARS

A significant expansion in both discount rates and exit yields observed during 2023 and 2024 valuations, offset the strong NOI performance seen year after year. The stabilised higher NOI bodes well for future valuation growth as we expect discount rates and exit yields to compress in a lower interest rate environment

5.3 OTHER ESG INITIATIVES

INVESTING AND ENCOURAGING ENTREPRENEURSHIP HAND IN HAND WITH OUR COMMUNITIES

We are developing new initiatives to promote local talent and foster entrepreneurship by transforming our shopping centres into hubs for small businesses. We are turning our shopping centres into hubs for small businesses, giving emerging brands the chance to test their products and connect with customers. Following successful pilots at Bahía Sur and Puerta Europa, we are expanding the initiative to other Castellana Properties centres—including El Faro, Vallsur and Granaíta—with new projects launching in FY26.

“YO SOY EMPRENDEDORA” BAHIA SUR ENTERPRENEUR WOMEN FAIR

In 2024, Bahía Sur reaffirmed its support for local entrepreneurship by hosting the second edition of the Soy Emprendedora Fair. The event featured 17 emerging brands and included a workshop for aspiring women entrepreneurs to mark International Women’s Day. The fair led to two new permanent tenants at the centre, including Ola Negra Cadizfornia, a local brand from San Fernando now operating a permanent space at Bahía Sur. More projects are currently under review for future promotion.

PUERTA EUROPA EMPRENDE

Launched in partnership with Algeciras City Council, Puerta Europa Empeunde offered a dedicated space for local entrepreneurs, small businesses, and non-profits in Campo de Gibraltar. The initiative enabled emerging brands to test their products and reach a wider audience, reinforcing the centre’s social impact.

Inaugurated in September 2024 by councilors Sabina Quiles and Álvaro Márquez, the project has generated strong interest, with new expansions already under evaluation.
