

MAB KEY INDICATORS. OCTUBRE 2019

The MAB in figures: 3rd quarter 2019

The **Ibex MAB 15** and **Ibex MAB All Share** indices closed in the third quarter of 2019 with an annual revaluation of 17.57% and 5.04% respectively. A total of 168,969,439 securities with a cash volume of EUR 170 million have been traded within the Growth Companies segment, exceeding, by more than 40%, the trading volume obtained in the same period of the previous year. EUR 1,178,555 million raised through 64 capital increases. In addition, from September to date, 4 new companies have been incorporated into the REIT segment (La Finca Global Assets, Mansfield Invest, GreenOak Spain II and Mistral Iberia Real Estate). With these new companies, the MAB totals 119 issuers. [MORE +](#)

Holaluz and Izertis are heading towards the MAB

The renewable energy retailer **Holaluz** just announced plans to go public on the MAB at the end of November. The Catalan company expects to raise funds in the range of €30 million and € 40 million. If so, this amount would be the largest debut of this year on the MAB. In the same line, the technology consulting firm **Izertis**, dedicated to providing services to companies of high added value operating in the technology sector, plans to go public in the coming weeks. BME, together with JLL, presents the market report of SOCIMIS 2019 on the Barcelona Stock Exchange

On October 10th, the 2019 Report "SOCIMIS, Stability and investment in the real estate sector. Market Report 2019" prepared by BME and the consultancy Jones Lang Lasalle ("JLL") was presented at the Barcelona Stock Exchange. Jesús González, managing director of MAB, emphasize that; "In terms of financing, these vehicles have been very efficient for companies and have also brought an attractive dividend return to investors." It also recalled that BME's markets, both the Stock Exchange and the MAB, provided a reputation for companies and pointed out that one of the most important challenge, among others, of this sector is to gain more confidence from retail investors.
