Listing on BME Growth, an effective tool to boost the growth of SMEs

"BME Growth has been the vehicle that allowed our company to growth (organically and inorganically) by doubling our size since our listing on this market (2016) to 2019" says the CEO of Atrys Health, Isabel Lozano. Referring private equity firms such as Inveready and Axon Partners, financial advisors (Norgestión and GVC Gaesco) and the BME Growth company, Atrys Health agreed, all of them, on the importance of financing through capital markets to grow more and better. All this on a **webinar organized by ASCRI and BME Growth** moderated by its managing director Jesús Gonzalez. Topics such as the **liquidity of BME Growth companies' improvement** or the complementarity of this market with venture capital were also highlighted. This event can be watched on the following link.
