

MAB KEY INDICATORS. FEBRUARY 2020

## Extension of the period for submitting annual periodic information

The MAB, due to the economic and social impact of COVID-19, agrees to extend the period for submitting the issuing entities' annual periodic information. To this end, the issuing entities must submit the Company's periodic information to the Market as soon as possible and in any case no later than six months after the close of the fiscal year. Furthermore, the MAB recommends a responsible use of this extension, putting always transparency before investors ahead. [MORE +](#)

## Home Capital Rentals: the first REIT listing on MAB in 2020

**HOME CAPITAL RENTALS**, a REIT focused on residential real estate assets to rent in the mid-term stay corporate segment, was listed on MAB on March 20 with an initial valuation of € 50.2 million. Mid-term corporate segment rental market is a growing market that is covering the needs between hotels and long-term stay. [MORE +](#)

## Success of VozTelecom during its MAB journey

The English company Gamma Communications Europe B.B. launched a public offer to acquire shares over 100% of **VOZTELECOM**. Gamma is offering more than €20 million (€4.42 per share), which means that **VOZTELECOM** has been revaluated 65% during its MAB' listing in 2016. The notoriety and visibility provided by the MAB contributes to issuers, like **VOZTELECOM**, to achieved great reward, especially for their shareholders. [MORE +](#)

## New changes in the IBEX MAB® 15 index

The IBEX MAB® 15 index is devised to gauge the performance of the fifteen companies with the largest trading volumes. In other words, its eligibility criteria is based on the fifteen traded stocks listed within the Growth Companies' segment with a half-yearly update (March and September). After the revision of March 2020, the stocks included in this index are **CLERHP**, **CATENON**, **HOLALUZ**, **IZERTIS** and **LLEIDA.NET**. The following link shows all the companies belonging to this IBEX MAB® 15 index. [MORE +](#)

## Pre-Market Environment (EpM) adds three new companies and two partners

The EpM, the exclusive training and networking programme to provide growing SMEs with information on how capital markets work and how to get access to private and institutional investors, welcomes three new companies (**EOSOL**, **Parlem Telecom** and **Neurofix**) and two new partners (**CESUR** and **AtZ Financials Advisors**). With these incorporations, there are already 31 entities participating in this programme, 16 companies and 15 partners. [MORE +](#)
