

MAB KEY INDICATORS. APRIL 2020

MAB figures: January – April 2020

The performance of the MAB indices, conditioned by the COVID-19, has been less negative compared to other similar exchanges from surrounding countries. The **Ibex MAB 15** and **Ibex MAB All Share** have declined by 3.12% and 4.74% respectively in this period. 166 million of stocks traded with a cash volume of €295 million. More than €172 million have been raised through 20 corporate transactions.

Gavari Properties will soon debut on MAB

The MAB Coordination and Admissions Committee has submitted to the MAB Board of Directors a favourable report to incorporate the REIT company **GAVARI PROPERTIES**. This company owns more than 150 assets, which are worth €15.6 million, and operates mainly in large Spanish urban areas such as Madrid or Malaga. [MORE +](#)

MAB as a shield against crisis

Financing through capital markets is fundamental in these uncertain moments. The main lesson learned from the last financial crisis is that it is essential diversify financing sources and strengthen balances before bank financing becomes scarce. The MAB is specialized in fulfilling the financial needs of SMEs. €1,529.48 million raised in 2019, through 81 corporate transactions, guarantee it. [MORE +](#)

How the Pre-Market Environment (EpM) works and which companies can be incorporated into this program

The EpM is an exclusive training and networking programme to provide growing SMEs and *start-ups* with information on how capital markets work as a financing tool and how to get access to private and institutional investors. In this programme, aimed at companies from all sectors, there are currently participating 32 entities (17 companies and 15 partners). **ENERSIDE ENERGY** has been the latest incorporation into the EpM. This renewable energy company owns a project portfolio of more than 2.5GW diversified in several countries. [Video + Press Release +](#)

MAB companies ready to participate on the Virtual Medcap Forum 2020

The **Medcap Forum 2020** will be held virtually on May 26, 27 and 28 to adapt to the mobility restrictions generated by COVID-19. In this context, more than 30 MAB companies will hold *one-to-one* meetings with national and international investors, most of them will participate on virtual Discovery Meetings and some of them will also take part on different virtual thematic panels. The following link includes the official program of this virtual **Medcap Forum** edition. [MORE +](#)
