

MAB is now
BME Growth
The Stock Exchange of SMEs

MAB becomes BME GROWTH, the Stock Exchange for SMEs

SME Stock Exchange of BME (formerly known as MAB) has obtained the **SME Growth Market** category, granted by CNMV. It is not only a re-branding but it accompanies certain changes in its regulation and structure in accordance with the framework of the Capital Markets Union (CMU) and MiFID II with the aim of increasing funding for smaller companies via their presence in financial markets.

From now on, both growth companies and REITs will be traded in a unique segment. In this sense, BME GROWTH begins its journey with 117 listed companies with an aggregate market capitalization of more than €15 billion. [MORE +](#)

V-shaped recovery for companies listed on BME GROWTH despite the COVID-19 pandemic

BME GROWTH achieves very positive figures during the period between January and August despite the Covid-19 pandemic:

Ibex MAB 15 and **Ibex MAB All Share** indexes confirm their V-shaped recovery having revalued by 29.93% and 24.78% respectively during this period.

249.5 million shares have been negotiated with an effective of € 508.9 million, outweighing in more than 83% the figures reached in the same period of 2019.

More than € 312 million have been raised through 37 corporate transactions.

BME and BARCELONA TECH CITY join to create a financial hub in the Barcelona Stock Exchange

This Fintech Hub also has the main objective of providing startups with access to the different resources of the capital markets and thus consolidate their growth. BME will make its knowledge and experience available to companies in order to help them grow through its market infrastructures, such as the Stock Exchange, BME GROWTH or the Pre Market Environment. BME GROWTH does not stop on holidays and registered two listings

The REIT company **ALL IRON** was listed on the BME GROWTH on September 9th. ALL IRON, whose assets are valued at € 71.7 million, is specialized in the acquisition of properties for urban accommodation as an alternative to the traditional hotel models and subsequently rents out the properties to an operator for short and medium-term stays.

BME GROWTH and the Pre Market Environment participate in the tech event “Startup Olé”

The “**Startup Olé Salamanca 2020 Digital Edition**”, one of the main European technological-entrepreneurial events attended by 254 startups from 23 countries and more than 335 key players (corporations and investors), was held virtually on 9, 10 and 11 September. Jesús González, Managing Director of BME GROWTH and Álvaro Castro, Director of Markets of BME GROWTH, participated in this event with a presentation about financing through public/private funds. They also introduced the **Pre Market Environment**, an exclusive training programme and networking for start-ups and SMEs interested in learning how capital markets work as a financing tool.
