### EpM ENTORNO PRE MERCADO

3 New Companies  
2 New Partners

### Three new companies and two new partners join BME's Pre-Market Environment (EpM)

These abovementioned companies are **Energy Solar Tech**, **Macco Robotics** and **Colectual**. On the other hand, the financial firms **Solventis** and **VGM** have joined as *partners*.

With these new incorporations, 20 companies are already part of this open training, coaching and networking programme, which accelerates the process of access to the capital markets.

The aim of this **BME** initiative is to help companies to familiarise themselves with the functioning of financial markets and gain access to private and institutional investors who, together with partners, can help them meet this goal.

### Izertis celebrates its second anniversary on BME Growth

*"Being listed on BME Growth not only allows us to access new financing tools to boost our growth, but also helps us develop the company's brand positioning, attract external talent and consolidate internal talent. During these 2 years we have met the objectives proposed in our 2020-2023 strategic plan, which has been reflected in the confidence of investors"* stated Pablo Martín, founder, President and CEO of **Izertis**.

**BME Growth** has been instrumental in nurturing and facilitating the success of **Izertis** and a number of other leading SME companies, by providing them with financing, liquidity and invaluable advice.

### High-value EpM training sessions: learning about Greenalia and BME Growth success story told by their protagonists

During that session organized by **EpM**, **Greenalia**, the renewable energy company listed on **BME Growth**, shared its experience in this market since its incorporation in 2017.

**Greenalia** told us, alongside its registered advisor **Solventis**, how they succeeded in the process of incorporation and raising of funds, both in equity and fixed income.

We discovered, among other things, how this company has been able to multiply its size by 10 in the last four years.
