Pre-Market Environment adds Axon Partners Group as a partner and potential investor

BME's Pre-Market Environment (EpM) has agreed to incorporate **Axon Partners Group** as a new partner and will also participate as a potential investor and introducer of companies to the **EpM**. It will contribute to identifying companies with growth and IPO potential.

In addition, **Axon** will organise training sessions to help both investors and companies understand the useful financing alternative that **BME Growth** represents for companies.

Axon Partners Group is a global investment, alternative asset management and consulting firm. Since its creation in 2006, it has managed more than €600 million through different strategies.
