### BME brings together ten small & mid-cap companies with international investors in Paris

This 18th *Spring European Midcap Event*, which took place on 23 and 24 June in Paris, returned this year to the face-to-face format after two virtual-only editions due to the pandemic. Several companies listed on the BME' markets (main market and **BME Growth**) held private meetings with investors from France, the United Kingdom, Germany and Switzerland.

These types of events help companies gain visibility before institutional investors specialized in small & mid-cap entities.

### BME, together with the Spanish National Securities Market Commission, organized a forum in Bilbao highlighting the advantages of being listed on the stock market

Under the slogan "*Opportunities in the stock market for companies in the Basque Country*", this forum aims to bring the capital markets closer to growth companies.

Specifically, this event included a debate, moderated by the President of **BME Growth**, Manuel Ardanza, on how stock markets can be an effective and accessible financing alternative for small and medium-sized companies with high growth potential.
